## Description

**VersaSure™ Cleaner Disinfectant Wipes** are ready-to use, alcohol-free, one-step cleaner disinfectant wipes. The wipes effectively kill a broad spectrum of 44 disease-causing microorganisms within two minutes. The TB kill time is two minutes, and the kill time for HIV, HBV and HCV is 30 seconds.

**VersaSure Cleaner Disinfectant Wipes** are formulated to be low-odor, stay wet on surfaces for a full two minutes, result in minimal residue on surfaces, and offer good compatibility with a wide range of non-porous surfaces found in dental operatories. **VersaSure Cleaner Disinfectant Wipes** come in two sizes; a 6.75" x 8" wipe available in an 85-ct canister, a 6" x 5" wipe available in a 150-ct canister, and 30-ct flat pack (also 6.75" x 8"), as well as a 12" x 12" terminal wipe available in a 110-ct bucket and 110-ct refill pack.

## Unique Features

- Broad spectrum
- Two-minute TB kill time
- Kills 44 pathogens in two minutes or less
- Minimal odor
- Minimal residue on surfaces after drying
- Compatible with a wide range of surfaces including granite, Corian, stainless steel, plastics and vinyl fabric

## Indications

- Cleaning and disinfecting of clinical contact surfaces
- Cleaning and disinfecting of non-critical items

"MINIMAL  
ODOR AND  
NO RESIDUE."

## Consultants' Comments

- "I like that the wipes are large and thick."
- "They actually maintained a wet surface."
- "Broad spectrum with short kill time."
