

CloroxPro®

Clorox® Anywhere™ Daily Sanitizer & Disinfectant

Tough on Germs...Gentle as Water

No-Rinse Food-Contact Surface Sanitizer

Kill 99.9% of bacteria: *E. coli*, *Listeria*, *Salmonella* and *Staphylococcus aureus* in 1 minute on food-contact surfaces, no rinse required.

Mild Formula Is Powerful Enough to Eliminate Pathogens of Interest

Eliminates common illness-causing cold[†] and flu viruses, and bacteria, including *Salmonella*, *Staphylococcus* (staph) and *Streptococcus pneumoniae* (strep). Can be used against COVID-19 virus.[‡]

Gentle as Water

The hypochlorous acid fragrance and residue-free formula is mild enough to use around kids, pets and food. Disinfect and sanitize most surfaces anytime, anywhere.

[†] Kills Rhinovirus and Human Coronavirus

[‡] Per Public Health Emergency Policy this product is considered effective against SARS-CoV-2, the virus that causes COVID-19. Keep out of reach of children

Experience the Difference

Just Spray and Walk Away

No rinsing or wiping is necessary after disinfection and sanitization. And since the formula is low odour and leaves no residue, your surfaces will be food-prep, kid- or pet-ready.

Disinfect & Sanitize High-Touch Surfaces

Suitable for daily use on: water fountains, kids' playroom toys, booster chairs, diaper changing tables, lunch boxes, countertops, kitchen appliances, food cases, pet toys, food bowls and more.

One Spray...Many Uses

CloroxPro® Clorox® Anywhere™ Daily Sanitizer & Disinfectant is ideal for use wherever surface disinfection and sanitization are important.[§]

Great for:

Schools

Food prep areas, eating areas, inside classrooms, teachers lounge, office area.

Foodservice

Back of the house, front of the house dining area, employee break rooms.

Care Facilities

Adult care, child care, long-term care, animal care facilities.
