CloroxPro® Clorox® Anywhere Daily Sanitizer & Disinfectant meets the Health Canada designation for use with an electrostatic sprayer (ES). To check whether a product has the ES designation, you can go to the Health Canada public database on COVID-19: <https://www.canada.ca/en/health-canada/services/drugs-health-products/disinfectants/covid-19/list.html>. If your product is approved for use with an electrostatic sprayer, "Electrostatic Spray" will be listed in the "Product form" column.
